PROPANE TANK FAQ

How much is shipping?
Your shipping cost for this propane tank varies greatly based geographic area. 500 and 1000 gallon tanks will require a custom made pallet at an additional fee of $200. Propane tanks typically ship from our Pennsylvania warehouse. There are no Free Shipping offers on propane tanks.

Can I pick up my tank?
You may pick up your tank at our Pennsylvania warehouse. (860 Anderson Ferry Rd. Mount Joy, PA 17552) On occasion we will ship a propane tank to our Texas or Nevada distribution center for you to pick up. You are responsible for all handling from our TX or NV dock to your door.

What comes with the tank?
No installation parts come with the tanks. The tank does not include a regulator. You must be able to remove your tank from the delivery truck. The driver will not be able to help you.

Do you provide service or installation?
Kleen-Rite does not provide service or installation for propane tanks. This is a freight delivery only. You will need to contract with a local propane distributor to install and fill your tank.

Are there any quantity discounts?
Kleen-Rite has no quantity break pricing on propane tanks.

Do I have to pay tax for the tank?
Applicable state sales tax will be charged based on the zip code where you are picking up the tank or the destination zip code of where it is shipping.

What are the specs of the tank?
Please reference the following page below.
